

At Prom Night Events, we understand that raising funds for your formal deposit may sometimes be difficult. That's why we recommend our friends at FASTLANE KARTING to help get you where you need to be.

FASTLANE KARTING – School Fund Raiser - The FUN and Healthy way to raise money for your formal!

Looking for new and exciting ways to raise money for your school? Try out this new winning idea, suggested – and tested – by many schools and sporting clubs in your local area.

Our philosophy is to provide students an opportunity to learn, keep fit, and have fun in a safe, exciting and fun-filled environment. Through recognising the importance of keeping school students fit, healthy and safe; Fastlane Karting are committed to providing a quality Fund Raiser idea that allows students to raise money the healthy and fun way.

Raise over \$1000 for your formal!

What it is?

Fastlane Karting's Fund Raiser is a great way to generate much needed funds to the school.

Students will need to sell 25 Family Fun Packs worth \$120.00 for a family of 4 to enjoy Go Karting. These Fun Packs will be redeemable at an event at Fastlane Karting between Monday and Friday.

How does it work?

The target is to reach \$1000. The family Fun Pack has \$160.00 worth of value and is available to the Fund Raiser for \$120.00 for a family of 4. This provides 2 rides for each person.

Fastlane Karting will also provide a FREE 12 month membership as part of the attraction. \$20 from each ticket sold will be given back to the fund at a total of \$1000.

To help raise even more money to further subsidise the cost of your formal, Fastlane Karting will provide extra raffles and BBQ's on site when you're enjoying your Karting fun to get you over the line!

For more information please contact Sonja at sonja@austrektours.com

or phone our office on (02) 8004 1919.

You can also fill in the online form via the web site...
